

Broad Creek Public Landing

This facility is located on the west shore of the Susquehanna River in Broad Creek off Flintville Road. The landing consists of a 14-foot-wide hard surface boat ramp, a small dock and a day use area. On-site parking is limited to four vehicles; however, an off-site parking area for 33 vehicles with trailers 400 feet from the launch ramp is also available. Launching at this site is dependent on pond levels due to the shallow nature of the creek.

Line Bridge Access

Line Bridge is located on the west shore of the Susquehanna River approximately 4.2 miles north of Conowingo Dam. Access to this site is from Line Bridge Road. The site is used as an informal gravel carry-in launch area and as a lunch and fishing access site primarily by locals and adjacent cottage owners. A small informal parking area is provided.

Dorsey Park

This boat launch is adjacent to and upstream of the Peach Bottom Nuclear Plant on the west shore of the Conowingo Pond with access off of Lay Road. Features of this site include two 32-foot wide hard surface boat ramps, two docks, charcoal grills public benches, an informational ipanel and kiosk, a large lawn area, two portable restrooms (one ADA) and a paved parking area for 25 rigs, 30 vehicles and 2 ADA parking spaces.

17 Parks Along the Lower Susquehanna River

Susquehannock State Park

The park is located on the eastern shore of the Susquehanna River south of Muddy Run. The 224-acre park features the Landis House, a historical building from the 1950s as well as picnic areas, pavilions, a playground, athletic fields, walking and equestrian trails, a group tent site and an overlook area with views of Conowingo Pond, Muddy Run's powerhouse.

Glen Cove Marina

Glen Cove Marina is located on the west shore of the Susquehanna River approximately 1.7 miles north of Conowingo Dam. Access to the site is from Glen Cove Road. Boat slips for approximately 74 boats are available as well as a picnic area and sanitation facilities. The site is open to the public for a \$10 launch fee. Services at the site include fuel, repair services and a small store. The Glen Cove Marina also serves as the upstream canoe portage take-out for Conowingo Dam.

Susquehanna State Park

The park is located on the west side of the Susquehanna River approximately 2.25 miles downstream from Conowingo Dam with access from Stafford Road, Lapidum Road, Rock Run Road and Wilkinson Road. Amenities within the 2,660-acre park include campsites /cabins, picnic areas, playgrounds, pavilions, boat launches, trails (hiking, biking and equestrian), as well as fishing and paddleboat opportunities.

(Dutchman's breeches)

Funk's Pond

Funk's Pond is located just north of Conowingo Dam off of US Route 1, and features beautiful views of Conowingo Pond and Cecil County wildlife. A half-mile trail along the pond leads to a picnic area with bank fishing and a sightseeing footpath.

Octoraro Creek Trail

Located on the eastern shore of the Susquehanna River and about one mile below Conowingo Dam, this area offers access to Octoraro Creek for fishing kayaking and bird watching, as well as an informational kiosk. The trail is located on Tote 222 just south of US Route 1 and includes a gravel parking area.

Conowingo Visitor Center

Located next to the Conowingo Swimming Pool off of US Route 1, the visitor center is ADA accessible and provides displays and brochures about the surrounding area, as well as conference rooms and a picnic area.

Conowingo Fisherman's Park

This park is located on the west shore of the Susquehanna River, immediately downstream from Conowingo Dam, with access from Shures Landing Road. The large park offers 1,900 feet of bank fishing, fishing from the ADA wharf, carry-in boat launching, 11 picnic tables overlooking the river, bird watching, informational displays, portable restrooms, a covered pavilion with six tables, a paved sidewalk and trail access.

Conowingo Creek Boat Launch

Located on the eastern shore of the Conowingo Pond approximately 1.8 miles north of Conowingo Dam, the Conowingo Creek Boat Launch can be accessed over Mount Zoar Road and Conowingo Lake Road. This site offers an 80-foot wide hard surface boat ramp, boat tie-up area, paved on-site parking for nine rigs, and additional parking for six rigs just off-site. Boaters must pass under a railroad trestle to reach the pond, so access may be limited depending on the water level.

Wissler's Park

The park is located on the eastern shore of the Conowingo Pond, adjacent to and downstream from the Muddy Run Pumped Storage Facility powerhouse. This site offers bank fishing, a small picnic pavilion, benches, trails and informational panels.

Lock 15

Lock 15 is located on the west shore of the Conowingo Pond approximately 11.8 miles north of the Conowingo Dam with access off of US Route 372 via River Road (south). This site features picnic facilities, bank fishing, historical and informational panels, a gravel parking lot, two restrooms (one ADA) and access to the Mason-Dixon Trail.

Peach Bottom Marina

This marina is located on the east shore of the Conowingo Pond on Peters Creek approximately 7.5 miles north of the Conowingo Dam with access off of Peach Bottom Road. This facility offers a 25-foot-wide hard surface boat ramp, docking, portable restrooms, vendor-provided boat maintenance, fueling and docking services. There is a \$10 launch fee, and access to the pond is dependent on water levels and the size of the vessel, which must pass under a trestle. A paved parking area provides room for 33 rigs and 17 vehicles.

Deer Creek Access

Deer Creek is on the western shore of the Susquehanna River off of Stafford Road approximately 3.6 miles downstream from Conowingo Dam. The creek offers bank fishing, carry-in boat launching, and access to the Mason-Dixon Trail. Roadside parking is available.

Muddy Creek Boat Launch

The Muddy Creek Boat Launch is located on the west shore of the Susquehanna River approximately 11.7 miles north of Conowingo Dam. Access to the site is from US Route 372 via River Road (south). The launch is a 20-foot-wide concrete ramp with boat docks on both sides and parking. The site also includes informational panels and an ADA portable restroom. The boating channel from the ramp to the main river is marked with buoys. The site is connected to Lock 15 to the north by a short section of the Mason-Dixon Trail.

Lapidum Boat Launch

Lapidum Boat Launch is located on the western shore of the Susquehanna River, approximately 5 miles downstream from Conowingo Dam, with access from Stafford Road and Lapidum Road. The site provides two hard surface boat ramps (\$10 launch fee for Maryland residents; \$11 for non-residents), a dock, restrooms, informational displays, a paved parking area for 19 vehicles, 34 rigs, and 7 ADA (1 ADA rig) spaces. Additional roadside parking is available on Stafford Road.
